"Research Outline for the Ancestors of François de Joyeuse seigneur de Campigneulle [sic]," http://freepages.genealogy.rootsweb.ancestry.com/~robertfamilies/Joyeuse_Ancestors.doc (accessed 22 May 2017). This is a convenient and easy to use list of Joyeuse de Campigneulle ancestors with citations for each generation. Like all works of genealogy, this should be used with caution as it might hold mistakes. However, the author is to be given credit for citing his sources and for making corrections when notified of mistakes. He has also been helpful in reviewing earlier drafts of these armorial lineages and pointing out some mistakes I made and subsequently corrected.
